#### **SUMMARY OF THE REASONS FOR DECISION:**

The DVD entitled *Hell, Whores And High Heels*, also known as *Pirate Video Deluxe Episode 10*, is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a DVD (digital versatile disc) with ten moving components including a feature entitled *Hell, Whores And High Heels* (also known as *Pirate Video Deluxe Episode 10*), that has a running time of 84 min 29 sec. The video recording of *Hell, Whores And High Heels*, with a running time of 84 min 17 sec, has been classified previously by the Office of Film and Literature Classification (OFLC No. 2037). In this case the publication was classified objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years and consigned the descriptive note "Contains explicit sex scenes." This decision was registered on 4 December 2000. The DVD feature appears identical to the fore-mentioned video feature (with the difference in running times apparently accounted for by the different running speeds of the different mediums). The other components on the DVD including six trailers, a synopsis of the feature and numerous photographic stills, are of a similar manner and degree to that in the feature and do not affect the original classification or the descriptive note.
